

'BOW TRINITY' - NEW FROM TELFORD HOMES FOR SPRING 2011

Just a short walk from Mile End tube station on the Central line and Bow Church DLR station, Bow Trinity E3 will offer a wide selection of new studios, one, two and three bedroom apartments built by Telford Homes Plc.

Split across several new apartment blocks (from just four up to 36 apartments per block), these new homes will offer terrific value for money. Included as standard will be designer kitchens with a full range of integrated appliances, floor coverings throughout (laminates, ceramic tiles & bedroom carpet) and beautifully appointed bathrooms

Mile End Park is a five to ten minute walk from any of the apartment buildings where you will find a great range of indoor and outdoor leisure activities.

Bow Trinity's excellent tube, DLR and bus links will make Canary Wharf and The City easily accessible; you can be in the heart of both districts in less than ten minutes (station to station).

Guide prices for the homes will be available prior to the initial 'off plan' launch, from approximately April/May 2010. A sales centre will be opened in the summer on Bow Common Lane and first completions of apartments will be from September 2011.

Please watch www.telfordhomes.plc.uk for regular updates in the meantime.
