

8<sup>th</sup> February 2010

**GET A VALENTINE DEAL YOU'LL LOVE  
AT ROMFORD'S MARKET PLACE APARTMENTS – LAST CHANCE TO BUY!**

A small selection of brand new homes remain at the Market Place Apartments in Romford and all must now be sold!

Visit our next promotion event on Saturday 13<sup>th</sup> February for our 'Valentines special' – you are sure to find an apartment to fall in love with.

The Market Place Apartments form part of Romford's recent £40m town centre regeneration and are in the heart of it all with shopping, nightlife and leisure right on the doorstep. These homes have proved popular with young professionals and down-sizers alike, particularly as the apartments are ready for immediate occupation and are brand new – no DIY required!

Each home is light and airy throughout, with fitted carpets in the bedrooms, ceramic floor tiles to the kitchens and woodstrip laminate flooring in the living room and hallways. Apartments also have the luxury of fully integrated kitchens featuring contemporary Sheraton units and Smeg appliances. White Roca bathroom suites are complimented by steel and chrome accessories, large mirrors and ample ceramic tiling.

Commuters will find Romford's first class transport links particularly appealing. The town's station is only a ten minute walk from the apartments through the pedestrianised town centre. From there a train to Liverpool Street takes just 17 minutes.

For more details on available apartments and the 'Valentines special' event please call 01708 741 403.
